<http://www.praguewelcome.cz/en/>

The Czech Koruna (1EUR = 26.0 CZK) is used as a currency in Czech Republic. Euro is usually accepted by hotels and big shops, but not always and with less favorable exchange rate. Ask in advance.

Travelling by city transport is possible only with a valid ticket. Passengers have to purchase their tickets before boarding the vehicle or entering the Metro system. The ticket is valid only if marked in the validation machine. Tickets can be bought at selected Metro stations or in information centers, hotels, at new stands, travel agencies, department stores, etc. Single tickets can also be bought in the ticket vending machines (only coins are accepted) located at Metro stations or near some stops of surface transport.

When arriving by plane, you will find Public transport information centers (selling tickets) in arrival halls of both terminals. Public transport web pages: www.dpp.cz

In case of unpaid freight the inspector collects a penalty 200 CZK, which is reduced to 100 CZK, if it is paid on the spot or in the supplementary fare office of Dopravní podnik. To prove their identity, inspectors produce yellow-and-red badges. They issue receipts for the penalty amounts.
